Subject: Resolution Accepting the Funding Recommendations of the Miami-Dade County Homeless Trust for the Award of Contracts and Grants in an Annual Amount not to Exceed \$4,660,031.00 to Select Non-Profit Service Provider Sub-Grantees for Fiscal Years 2015-16 and 2016-17

Recommendation

It is recommended that the Board of County Commissioners (Board) accept the funding recommendations of the Miami-Dade County Homeless Trust (Trust), as set forth in Exhibit 1, for the award of contracts and grants in an annual amount not to exceed \$4,660,031.00 to select non-profit service provider sub-grantees for Fiscal Years (FY) 2015-16 and 2016-17. It is also recommended that the Board waive the competitive bidding requirements of Implementing Order 3-38, and authorize the County Mayor or County Mayor's designee to execute agreements, some of which may exceed \$1 million, if renewed, with community-based organizations and government agencies that are approved for funding by the Trust after approval by the County Attorney's Office. Finally, it is recommended that the Board authorize the County Mayor or County Mayor's designee to exercise the amendment, renewal, termination, cancellation, and modification clauses of any agreement.

Scope

Housing and services previously provided to select not-for-profit organizations and government agencies by the United States Department of Housing and Urban Development (HUD) through the Notice of Funding Availability (NOFA), following a local competitive Request for Application (RFA) process, but not renewed in the FY 2015 NOFA Continuum of Care (CoC) Program competition. Continuation of funding designed to mitigate the impacts to homeless clients being served within these programs is a one-time bridge funding that would allow Miami-Dade County to contract with impacted providers, as negotiated by the Trust, with funding only to be accessed should other processes to identify funding be unsuccessful. This continuation funding would also allow providers to evaluate their service delivery models, with an emphasis on permanent housing, find alternative funding, and downsize or close programs in order to ensure people currently being served are not impacted.

Fiscal Impact/Funding Source

The maximum amount to be funded is \$4,660,031.00, which includes a maximum of \$1,124,872.00 in FY 2015-16 and a maximum of \$3,535,158.00 in FY 2016-17, with funds coming from Food and Beverage Tax revenue reserves, and incorporated into the FY 2015-16 budget and proposed FY 2016-17 budget approved by the Trust on June 30, 2016 and subject to the Board's approval.

Track Record/Monitor

Homeless Trust Executive Director Victoria Mallette will be responsible for overseeing the grants to non-profit service providers detailed in Exhibit 1, in coordination with Manny Sarria, Deputy Director, and Terrell Thomas Ellis, Contracts Manager. The Trust will be the administering agency responsible for the monitoring of the not-for-profit service providers.

Background

HUD annually announces the issuance of its NOFA for the CoC Program's national competition, as authorized by the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009, making funding available for homeless programs throughout the country. The 2015 NOFA provided funding to local communities for the continuation and development of housing and supportive services to serve homeless individuals and Miami-Dade County, through the Trust which serves as the coordinating agency and the collaborative applicant for the community's homeless CoC application.

HUD required the CoC Programs to rank applicants in two (2) tiers. Tier 1 was equal to 85 percent of the CoC Programs Area Renewal Demand (ARD), which is the total amount of all projects that will be eligible for renewal in the competition. Tier 2 was the difference between Tier 1 and the CoC Program's ARD (15 percent). On March 8, 2016, HUD announced the NOFA Tier 1 and Planning Grant awards. Miami-Dade County was awarded \$28,949,799.00 in Tier 1 and \$872,750.00 for planning. On May 3, 2016, HUD announced the NOFA Tier 2 awards. Miami-Dade County was awarded \$197,766.00, far less than its request of \$6,296,073.00. Tier 2, the "at-risk" category, was much larger than in previous years.

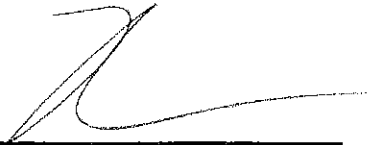

As a result of HUD non-renewals, Miami-Dade County lost much of its Transitional Housing and Support Services Only portfolio. Programs not renewed by HUD include those supporting domestic violence victims, those recovering from addiction, youth, veterans, employment services, legal services, and services supporting permanent housing interventions. The 15 Transitional Housing programs include over 750 beds supporting more than 300 households, and the seven (7) Support Services Only programs serving hundreds of other individuals.

HUD's Tier 2 funding announcement came after many programs were operating in good faith in anticipation of renewals despite HUD contracts, which expired prior to the funding announcement. Six (6) programs are without federal funding, effective immediately - three (3) expired at the end of May 2016, and another three (3) will expire at the end of June 2016.

The Trust has appealed HUD's decision, and is also working on a number of fronts, outlined in Exhibit 1, to mitigate the impacts to providers and homeless clients. As a last resort, the Trust has outlined a contingency plan to use one-time Food and Beverage Tax reserves as bridge funding to contract with Tier 2 providers as negotiated for FY 2015-16 and 2016-17. This funding will be accessed should other funding not be obtained. While the Trust and providers seek alternative funding sources, providers are also being encouraged to review their models, and emphasize permanent housing, as HUD has indicated that Miami-Dade County's shift to

permanent housing has not been aggressive enough and directed the County to permanently house more people faster.

The Homeless Trust Executive Committee voted to accept the Transition Plan on June 10, 2016. The Homeless Trust Board approved the Transition Plan and the FY 2016-17 Proposed Budget on June 30, 2016. The Trust is seeking the authority to contract with impacted providers to ensure those currently served in these housing and service programs are not negatively impacted.

Subject: Transition Plan for 2015 U.S. NOFA CoC Non-Renewals

To address the impacts of the U.S. HUD funding determination that limited funding to Tier 2 providers, a backstop emergency one-time plan to use reserves as one-time bridge funding to contract with impacted providers as negotiated for FY 2015-2016, and considering the provider's maximum request from the Trust for FY 2016-2017, has been developed for Homeless Trust Board consideration. This funding plan will only be approved and accessed should other processes to identify funding be unsuccessful. Should adjustments to the FY 2015-16 or FY 2016-17 Homeless Trust budget be necessary, an item will be brought to the Board at a future time for consideration.

BACKGROUND

On Monday, May 3, 2016, U.S. HUD released its Tier 2 funding decision. Nearly all of Miami-Dade's Transitional Housing (TH) projects, as well as most of its Support Services Only (SSO) projects, were not funded. Funding was lost for fifteen (15) TH programs, a total of 767 beds, supporting more than 300 households. Additionally, seven (7) SSO programs were defunded, in whole or in part. Among the cuts were programs supporting victims of domestic violence, those recovering from addiction, youth, veterans, employment services, legal services, services supporting Rapid Rehousing (RRH), Permanent Supportive Housing (PSH) interventions, and Homeless Management Information System (HMIS) support. The Tier 2 funding loss is \$6,098,307. U.S. HUD created a robust competition using the tiered application model to encourage more reallocation of SSO and TH to Permanent Housing (PH). Reallocation is the process of shifting funds, in whole or in part, from existing projects that are eligible for renewal to create one or more new projects. Despite the reallocation of three (3) projects in the FY 2015 NOFA funding cycle, as well as reallocations in 2013 and 2014, U.S. HUD has indicated that Miami-Dade's shift to PH has not been aggressive enough. Overall, U.S. HUD's direction has been to permanently house more people, faster.

Nationally, funding for TH projects declined to \$171 million, a reduction of \$155 million. Over 1,000 TH programs in Tier 2 did not receive funding. As a result, Continuum of Care (CoC) Program-funded TH programs will serve approximately 15,000 fewer households across the Country than in previous years. In Florida, more than half of the 27 continuums received less Tier 2 funding, moving our state further down in the ranks with regard to Homeless Per Capita funding as compared to other states. Nationally, large cities including New York and Baltimore, also saw significant Tier 2 funding losses, with New York losing approximately 500 shelter beds, and Baltimore losing \$3.8 million for previously funded programs.

Most critically, the Trust and our providers are now faced with the challenging task of finding alternative funding, downsizing or closing longstanding programs, and working to ensure that people currently served by those projects are not harmed.

ACTION STEPS

U.S. HUD Appeal & Extensions

The Trust is working on several fronts to mitigate the impacts of the funding cuts. We have notified U.S. HUD of our intent to appeal. Together with the support of the Miami-Dade County Attorney's Office, we have enlisted Technical Assistance from Housing Innovations, a New York-based firm with more than 30 years of experience working with CoCs, including continuums such as Houston, New York, Los Angeles, Cleveland, Minneapolis and Connecticut, to guide us through this process. The appeal deadline is June 16, 2016, and U.S. HUD is to provide written notification of its decision within 45 days of the date of our CoCs response.

U.S. HUD is also aware that its announcement on renewal projects came after many programs were operating in good faith in anticipation of renewals despite U.S. HUD contracts which expired prior to the funding announcements. Approximately \$239,221 in costs was incurred for six (6) housing and services programs which expired on or before May 3, 2016. They include:

- Carrfour Harding Village TH – expiration January 31, 2016
- Douglas Gardens Successful Investments -- expiration January 31, 2016
- Citrus Health SOS – expiration February 28, 2016
- Miami-Dade Community Action & Human Services Inn Transition South – expiration February 28, 2016
- Miami-Dade Community Action & Human Services Inn Transition North – expiration February 28, 2016
- Better Way's Next Step – expiration April 30, 2016

These programs are without federal funding guarantees, effective immediately. Three (3) additional projects expired at the end of May 2016, and losses incurred due to non-renewals will jump to \$374,742. We continue to assert that U.S. HUD needs to do right by providers who continued in good faith to operate programs in anticipation of renewal funding. Their good and committed work should not be our community's loss.

U.S. HUD has also indicated that it will extend grant terms for programs not renewed, allowing lapse funds to be expended. Guidance was provided to U.S. HUD's Community Planning and Development (CPD) Field Office from U.S. HUD headquarters last week, and Trust staff has reached out for more information. Lapsed dollars from currently expired U.S. HUD grant programs are outlined in Attachment A. It should also be noted that providers have 90 days following the contract end date to submit final invoices before close out.

Emergency Food & Shelter Program (EFSP)

Following the Tier 2 funding decisions, and at the request of Trust staff, the EFSP Local Board, which is coordinated through the United Way of Miami-Dade County, put in a Special Funding Request to the National Board chaired by the Federal Emergency Management Agency (FEMA). An additional \$285,000 was added to an initial Special Funding Request to move families from TH to PH. The total EFSP Special Funding Request is now \$500,000 with funding broken down as follows:

- Rent/Mortgage Assistance -- \$350,000
- Mass Shelter -- \$75,000
- Bulk Food -- \$75,000

This additional funding request is not meant to offset the loss of U.S. HUD funding, but help families and individuals who are currently in TH move to PH. Top scoring applicants from Phase 32 (2014-2015) were chosen to receive these additional funds and special consideration was given to agencies who have the greatest reach throughout the County. The Special Funding Request is *in addition* to the Phase 33 (2015-2016) general allocation that Miami-Dade County is awaiting. The Special Funding Request remains pending.

EFSP funds can provide one month's rent assistance, or one month's utility bill. However, additional rental assistance funds can also be combined with RRH funds from other sources, including Home Investment Partnerships Program (HOME) and ESG.

| Category | Agency | Amount | Justification |
|--------------|----------------------|-----------|--|
| Rent | Citrus | \$285,000 | The HAND Program will be primary source for moving families from transitional to permanent housing |
| | M-D Community Action | \$25,000 | Greatest reach of agencies giving rental assistance |
| | CC New Life | \$20,000 | Top scoring applicant |
| | Chapman | \$20,000 | Top scoring applicant |
| Mass Shelter | CC New Life | \$12,500 | EFSP only funds 6 agencies under mass shelter, so the \$75,000 was divided among the 6. |
| | Chapman | \$12,500 | |
| | Lotus | \$12,500 | |
| | Miami Rescue Mission | \$12,500 | |
| | City of Miami Beach | \$12,500 | |
| | Salvation Army | \$12,500 | |
| Bulk food | Feeding South FL | \$35,000 | Greatest reach of agencies offering food assistance |
| | Chapman | \$20,000 | Top scoring applicant |
| | JCS | \$20,000 | Top scoring applicant |

South Florida Behavioral Health Network (SFBHN)

Trust staff met with leadership of the South Florida Behavioral Health Network (SFBHN) on May 12, 2016, and attended SFBHN's Board Meeting on May 20, 2016. The non-profit manages behavioral health services for uninsured Miami-Dade residents, on behalf of the Florida Department of Children and Families (DCF) Office of Substance Abuse and Mental Health.

SFBHN currently contracts with several CoC providers including Camillus House, Better Way of Miami, Citrus Health Network and Douglas Gardens, and has expressed its commitment to work with the CoC to allow SFBHN-contracted providers impacted by Tier 2 non-renewals to be reimbursed, as funding permits, for eligible behavioral health costs which were previously being paid through U.S. HUD grants.

SFBHN is expected to learn more about its budget allocation from the DCF in June, and could begin further assisting its contracted providers with eligible costs beginning July 1, 2016.

Trust staff has also been invited to sit on the SFBHN Board to ensure continued collaboration and a work group is being formed between SFBHN and the HT to deal specifically with SFBHN-contracted providers impacted by the loss of U.S. HUD funding.

Request for Applications (RFA) for 2015 NOFA, State ESG, Challenge, SHIP, TANF and Primary Care CoC Programs

On May 9, 2016, the Miami-Dade County Homeless Trust released an RFA to solicit proposals for various federal, state and local grant programs dedicated to helping homeless, or persons at-risk of becoming homeless. The solicitation includes 1) Up to \$250,000 in Emergency Solutions Grant (ESG) to provide RRH and/or homeless prevention for homeless or at-risk individuals/families; 2) Up to \$70,000 in Temporary Assistance for Needy Families (TANF) funds for prevention; 3) Challenge Grant funds up to \$300,000 for RRH; 4) \$784,864 in State Housing Initiatives Program (SHIP) for RRH through collaborations with Miami-Dade Public Housing and Community Development (PHCD), the cities of Hialeah and Miami Gardens, plus a \$300,000 Food & Beverage Tax (F&B) match; 5) \$436,940 for one (1) Housing First project funded as part of the 2015 NOFA competition to serve 27 chronically homeless individuals; 6) \$200,000 to provide SSO to Veterans receiving Housing Choice and Project Based Vouchers through PHCD; and, 7) \$408,450 in planning activities approved as part of the 2015 NOFA competition, including landlord marketing, provider training, and community planning on ending youth homelessness in Miami-Dade.

Addenda was issued removing several items, including proposals for the FY 2016 NOFA, as well as \$900,000 in F&B dollars which would have provided short-term TH for persons with severe mental illness, substance or alcohol abuse. Following much discussion, \$300,000 in F&B funds to match the SHIP commitment made by PHCD for RRH remains budgeted, as it furthers our efforts to leverage and build our base in furtherance of PH. The solicitation of those funds is currently under the Cone of Silence.

PHCD HOME & ESG

A Selection Committee appointed by PHCD for the FY 2016 HOME and Emergency Solutions Grants (ESG) RFA homeless set-asides recently made funding recommendations for approval.

- \$591,256 was earmarked for Emergency Shelter (ESG) which will result in an increase of 16 Emergency Shelter beds to the CoC
- \$320,263 for RRH & Prevention (ESG)
- \$750,000 for Tenant Based Rental Assistance (TBRA HOME)

Additional TBRA HOME funds in the amount of \$365,000 which were not set-aside specifically for homeless, was also made available as part of PHCD's solicitation. Only one provider, a homeless provider, applied for these funds.

A formal announcement from PHCD on the recommendations is expected shortly.

FY 2015 NOFA - Reallocation Projects

Prior to the FY 2015 NOFA CoC Program competition, the CoC set Funding Priorities and prioritized new and reallocated projects providing PSH and RRH, as allowed by U.S. HUD, in Tier 1. Reallocation is the process of shifting funds, in whole or in part, from existing projects that are eligible for renewal to create one or more new projects. As dictated by U.S. HUD, CoC's were invited to create through reallocation: 1) new PSH projects where all beds were dedicated for use by chronically homeless individuals and families; and 2) new RRH projects for homeless individuals and families who enter the Continuum directly from the streets or emergency shelter, youth up to age 24, and persons fleeing violence who meet paragraph (4) of the homeless definition (see paragraph 4 of the homeless definition in Attachment B.) Three (3) projects were submitted in response to the criteria, and fully awarded, adding 80 PSH units to the continuum.

Villa Aurora 14 Housing First Program

Carfour Supportive Housing: 14 units of PSH (previously TH) for chronic homeless individuals and families using a Housing First model, part of a larger 76 unit complex in Little Havana, which currently includes both permanent supportive housing and affordable housing for low-income families.

Mother Seton

Camillus House: 39 units of PSH (previously TH) located on Homestead Air Reserve Base property to serve chronically homeless families.

Brother Keily

Reallocated TH operated by Camillus House, combined with an additional \$120,000 reallocated by Citrus Health Network, to provide 27 units of PSH serving chronically homeless individuals using a Housing First model. Reallocated funds from Brother Keily and Citrus Health Network are part of an active Homeless Trust solicitation and are currently under the Cone of Silence.

CoC reallocated projects were awarded a total of \$1,365,679. Points were awarded by U.S. HUD as part of the 2015 NOFA competition to the extent in which our CoC strategically reallocated SSO and TH projects.

FY 2015 NOFA - New Projects

As dictated by U.S. HUD in the 2015 NOFA competition, CoCs were invited to create new projects, not to exceed 15% of the Annual Renewal Demand (ARD). ARD is the amount that a grant can be awarded on an annual basis when renewed. Miami-Dade had the opportunity to submit up to \$4,000,000 in new projects. Approximately \$1.5 million in new projects were proposed, and arguably Miami-Dade's CoC left money on the table by not taking advantage of the opportunity to create new PH, as the competition demonstrated that new projects offering PH were prioritized over renewals projects that offered other types of housing and services for homeless.

As dictated by U.S. HUD, CoCs were invited to create: 1) new PSH to serve 100% chronically homeless individuals, and 2) RRH projects serving homeless individuals and families coming directly from the streets or emergency shelters, and includes persons fleeing domestic violence situations and other persons meeting the criteria under paragraph (4) of the homeless definition. Two (2) projects were submitted in response to the criteria. These projects create approximately 69 units of RRH, which includes 125 beds, and 34 units of PSH. One of these projects proposed by the Advocate Program may help successfully exit qualifying clients in programs impacted by Tier 2 cuts.

Advocate Housing Solutions

Advocate Program: RRH for homeless individuals and families, including individuals/families fleeing domestic violence, and veterans. Designed to serve approximate 69 homeless households, which includes 125 beds.

Coalition Lift

Carrfour Supportive Housing: Coalition Lift is a partnership between Carrfour Supportive Housing, Camillus House and Citrus Health Network, which will provide PSH to serve 34 high-need/high-cost chronic homeless individuals.

Newly awarded bonus projects total \$1,471,209. Trust staff has conveyed to U.S. HUD that it would like to prioritize these projects in the contracting process, allowing staff to execute sub-recipient agreements expeditiously.

Federal Funding Activities

On May 17, 2017, Congressman Mario Diaz-Balart, Chairman of the Transportation, Housing and Urban Development Subcommittee of the House Committee on Appropriations, introduced the draft fiscal year 2017 Transportation, Housing and Urban Development Appropriations bill. The bill recommends \$2.487 billion for Homeless Assistance Grants. Within that allotment, no less than \$2.014 billion is provided to support CoC program renewals, at least \$270 million is for regular Emergency Solutions Grants (ESG), and an additional \$40 million in formula funds for rapid re-housing (RRH) and other critical activities like emergency shelter and street outreach in communities that have recently lost significant capacity to serve persons experiencing homelessness, including Miami-Dade. The bill provides no less than \$15 million for technical assistance to Continuum of Care communities, including no less than \$5 million for high need communities. Miami-Dade County would be an eligible recipient of both the supplement ESG funding and technical assistance.

Food & Beverage Tax (F&B)

Trust staff has been communicating with all impacted providers since the U.S. HUD announcement. Providers have also been discussing partnerships to transition existing clients with as little impacts as possible, including at a Provider's Forum discussion held on May 16, 2016. Providers are strongly encouraged to seek out other funding sources, or evolve their delivery models to better align with U.S. HUD priorities, as the Trust does not have the capacity to continue funding the \$6 million in lost programming on a recurring basis. The loss of funding can also be seen as an opportunity to forge new collaborations amongst providers and more aggressively shift to PH using a Housing First approach which prioritizes providing people experiencing homelessness with PH as quickly as possible, then providing voluntary supportive services as needed. It is an opportunity to further focus on improving outcomes, lowering barriers and developing partnerships with key mainstream partners. Many providers have already indicated their intent to submit projects for RRH and PSH in the 2016 NOFA funding cycle.

With that said, the Trust has been a good steward of F&B funds and established both Operating and Tax Equalization Reserves, to deal with fluctuations in the tax and the unanticipated loss of U.S. HUD-funded programming. Reserves budgeted for FY 2015-2016 are as follows:

| | |
|----------------------------|-------------|
| - Operating Reserve | \$4,921,597 |
| - Tax Equalization Reserve | \$4,128,487 |

All impacted providers have been queried by Trust staff and asked to indicate their anticipated funding need through both FY 2015-2016 and FY 2016-2017 to continue serving clients or ramp down programming, with as little impact to clients as possible. The answers varied, with some providers indicating they needed no additional funding and would seek alternate funding sources for programming,

some asking for less than the U.S. HUD grant awards and prepared to split or share losses with the Trust, and others needing funding at existing levels to continue providing service (see Attachment A for a program by program breakdown).

In line with U.S. HUD guidance, as well as local needs, special consideration has been given to TH addressing the needs of persons fleeing domestic violence, and providing assistance to those recovering from addiction. However, these programs too, are encouraged to review the efficacy of their programs, as research shows that TH is generally more expensive than other housing models serving similar populations with similar outcomes. As with the U.S. HUD process, TH providers are encouraged to carefully review their projects for cost-effectiveness, performance and eligibility criteria to determine if RRH or PSH may be a better model. The Trust is also looking at the possibility of accessing the 15% of the F&B tax administered by the Domestic Violence Oversight Board (DVOB) to support TH services for victims of domestic violence. This shift would likely require State legislative changes, and that cannot occur until the spring of 2017 when the legislature convenes.

Taking these efforts into account, the estimated impact to Trust reserves for FY 2015-2016 is \$1,124,872 and \$3,535,158 for FY 2016-2017 for a total of \$4,660,031. It is anticipated this total could be offset by a number of factors, including negotiations and the appeal with U.S. HUD, collaboration with SFBHN, further use of mainstream resources as encouraged by U.S. HUD, and the ability of providers to successfully apply for and capture other local, state, federal and private funding sources. Trust staff will also be looking at existing F&B contracts to determine what monies can be recaptured to realize savings beginning in FY 2015-2016 and beyond, and working with providers who receive F&B monies for allowable 2016 NOFA new bonus projects, so that they can submit proposals and possibly shift those costs to U.S. HUD.

It should be noted that the \$4.66 million figure is significantly less than the \$7.66 million that would have been needed to continue all programs, in their entirety, through FY 2016-2017. Less reliance on reserves at this time will provide the CoC and the Board more flexibility in the future to fill gaps and provide for our community's continuing needs locally. On June 10, 2016, the Executive Committee reviewed and accepted the Transition Plan. Staff is seeking ratification from the full Trust Board, so that an Item may be put before the Miami-Dade Board of County Commissioners, allowing the Trust to contract with impacted providers.

B. No person under the employ of the County, who exercises any function or responsibilities in connection with this Contract, has at the time this Contract is entered into, or shall have during the term of this Contract, any personal financial interest, direct or indirect, in this Contract.

C. **Nepotism.** Notwithstanding the aforementioned provision, no relative of any officer, board of director, manager, or supervisor employed by the Provider shall be employed by the Provider unless the employment preceded the execution of this Contract by one (1) year. No family member of any employee may be employed by the Provider if the family member is to be employed in a direct supervisory or administrative relationship either supervisory or subordinate to the employee. The assignment of family members in the same organizational unit shall be discouraged. A conflict of interest in employment arises whenever an individual would otherwise have the responsibility to make, or participate actively in making decisions or recommendations relating to the employment status of another individual if the two individuals (herein sometimes called "related individuals") have one of the following relationships:

1. By blood or adoption: Parent, child, sibling, first cousin, uncle, aunt, nephew, or niece;
2. By marriage: Current or former spouse, brother- or sister-in-law, father- or mother-in-law, son- or daughter-in-law, step-parent, or step-child; or
3. Other relationship: A current or former relationship, occurring outside the work setting that would make it difficult for the individual with the responsibility to make a decision or recommendation to be objective, or that would create the appearance that such individual could not be objective. Examples include, but are not limited to, personal relationships and significant business relationships.

For purposes of this section, decisions or recommendations related to employment status include decisions related to hiring, salary, working conditions, working responsibilities, evaluation, promotion, and termination.

An individual, however, is not deemed to make or actively participate in making decisions or recommendations if that individual's participation is limited to routine approvals and the individual plays no role involving the exercise of any discretion in the decision-making processes. If any question arises whether an individual's participation is greater than is permitted by this paragraph, the matter shall be immediately referred to the Miami-Dade County Commission on Ethics and Public Trust.

This section applies to both full-time and part-time employees and voting members of the Provider's Board of Directors.

D. No person, including but not limited to any officer, board of directors, manager, or supervisor

employed by the Provider, who is in the position of authority, and who exercises any function or responsibilities in connection with this Contract, has at the time this Contract is entered into, or shall have during the term of this Contract, received any of the services, or direct or instruct any employee under their supervision to provide such services as described in the Contract. Notwithstanding the before mentioned provision, any officer, board of directors, manager or supervisor employed by the Provider, who is eligible to receive any of the services described herein may utilize such services if he or she can demonstrate that he or she does not have direct supervisory responsibility over the Provider's employee(s) or service program. Staff members, or their immediate family members (spouse, children, siblings, mother or father) of Homeless Trust funded programs, who are eligible for and wish to receive services from a Homeless Trust funded program must receive the approval of the Executive Director of their employer (i.e. the Provider) prior to applying for and receiving those services. This approval must be in writing and accompany any referral for such services. Any Provider knowingly accepting a referral of an employee of a Homeless Trust funded program, and providing services without the written approval of the Executive Director of the Provider, will be subject to the recoupment/disallowance by the County of any funds paid for services to this individual and/or their immediate family member. When the services are to be provided at the same agency the employee works for, this information must be disclosed in writing to the director of the Homeless Trust, which shall be reviewed for eligibility determination and a sign off must come from the County. This provision does not apply to staff members seeking emergency shelter, medical or legal services. Providers must complete a Client Services Authorization Form (**Attachment P**) for staff members seeking services.

Any contract entered into based upon a false affidavit shall be voidable by the County. If the Provider violates any of the Acts during the term of any contract the Provider has with the County, such contract shall be voidable by the County, even if the Provider was not in violation at the time it submitted its affidavit.

The Provider agrees that it is in compliance with the Domestic Violence Leave, codified as § 11A-60 et seq. of the Miami-Dade County Code, which requires an employer, who in the regular course of business has fifty (50) or more employees working in Miami-Dade County for each working day during

The following is a delineation of some instances where a PIP may be required:

The Provider is required to submit a Monthly Progress Report and an HMIS-generated Monthly Progress Report for each month of the contract. Compliance will be determined when it is deemed that the two (2) reports are in substantial conformity with each other for a period of two consecutive months. (Substantial conformity as meaning a minimum of 95% accuracy on all elements). At the time of compliance, the Provider shall only be required to submit the HMIS-generated Monthly Progress Report.

During this contract term, the Provider must submit all invoices in a timely manner. The Provider shall invoice at a rate of 95% of targeted expenditures for the invoicing period. If the Provider fails to comply, all rights to payments will be forfeited if the County so chooses. During this Contract term, the Provider must achieve those goals specified in the Contract. Performance against these annual goals shall be evaluated on a quarterly basis, and if by the end of the third quarter of the contract period substantial compliance (meeting the targeted goals) is not achieved, it may result in the termination of this contract with the County.

☐ Applicable ☒ Not Applicable

The above is subject to the review and approval of the County

B. **County Remedies.** If the Provider breaches this Contract, the County may pursue any or all of the following remedies:

1. The County may terminate this Contract by giving written notice to the Provider of such termination and specifying the effective date thereof. 2. The County may suspend payment in whole or in part under this Contract by providing written notice to the Provider of such suspension and specifying the effective date thereof. If payments are suspended, the County shall specify in writing the actions that must be taken by the Provider as condition precedent to resumption of payments and shall specify a reasonable date for compliance. Any individual or entity who attempts to meet its contractual obligations with the County through fraud, misrepresentation, or material misstatement may be debarred from county contracting for up to five (5) years;

6. Any other remedy available at law or equity.

C. **Authorization to Terminate Contract.** The Mayor or the Mayor's designee is authorized to terminate this Contract on behalf of the County.

D. Failures or waivers to insist on strict performance of any covenant, condition, or provision of this Contract by the County shall not be deemed a waiver of any rights or remedies, nor shall it relieve the Provider from performing any subsequent obligations strictly in accordance with the term of this Contract. No waiver shall be effective unless in writing and signed by the parties. Such waiver shall be limited to provisions of this Contract specifically referred to therein and shall not be deemed a waiver of any other provision. No waiver shall constitute a continuing waiver unless the writing states otherwise.

E. **Damages Sustained.** Notwithstanding the above, the Provider shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the Contract, and the County may withhold any payments to the Provider until such time as the exact amount of damages due the County is determined. The Provider shall be responsible for all direct and indirect costs associated with such action, including attorney's fees.

ARTICLE 16. TERMINATION FOR CONVENIENCE

The County may terminate this Contract, in whole or part, when both parties agree that the continuation of the activities would not produce beneficial results commensurate with further expenditure of the funds. Both parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated. However, if the County determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made it may terminate the grant in its entirety.

ARTICLE 17. PAYMENT PROCEDURES

The County agrees to pay the Provider for services rendered under this Contract based on the payment schedule, timely provision by the Provider of required reports and of supporting documentation of expenses and activities as described in this Contract, and the line item budget (**Attachment B**). 2. Any reimbursement may be withheld pending the receipt and approval by the County of all reports and documents required herein.
3. The parties agree that this is a reimbursement Agreement and the Provider will receive reimbursement for services rendered based on actual expenses.
4. Maximum monthly reimbursements are limited to up to _____ billable beds each month multiplied by the number of calendar days in each month, unless the Provider has obtained prior, written consent from the County to offer a different number of beds for a certain length of time as specified in the Homeless Trust's written consent. This amendment requires the mutual consent of both parties.
5. As applicable, during the period of N/A through N/A, the Provider will submit a record of those individuals served utilizing Social Security Administration repayments as specified in the Scope of Services. The Provider will utilize these funds to serve those clients as specified and authorized in the Scope of Services

8. Within thirty (30) days of the termination or expiration of this Contract, a final report of expenditures shall be submitted to the County. If after the receipt of such final report, the County determined that the Provider has been paid funds not in compliance with the Contract, and to which it is not entitled, the Provider will be required to return such funds to the County or submit documentation demonstrating that the expenditure was in compliance with this Contract. The County shall have the sole and absolute discretion to determine if the Provider is entitled to such funds and the County's decision in this matter shall be final and binding.

B. **Monies Owed to the County:** The County reserves the right, in its sole discretion, to reduce payments to the Provider in order to recapture any monies owed to the County. In accordance with County Administrative Order No. 3-29, the Provider that is in arrears to the County is prohibited from obtaining new County contracts or extensions of contracts until such time as the arrearage has been paid in full or the County has agreed in writing to an approved payment plan.

This is a cost-based Contract in which the Provider shall be paid through reimbursement payment based on the budget approved under this Contract and when documentation of completed and satisfactory service delivery is provided. Thus, it is imperative that the Provider maintain appropriate supporting documentation for all expenditures from the beginning of the Contract term (i.e., receipts, bank statements, cancelled checks, employee timesheet, etc.).

The Provider shall submit to the Contract Manager, the Monthly Reimbursement form provided by the County on a monthly basis. The parties agree that the processing of a payment request from date of submission by the Provider shall take a maximum of thirty (30) days from receipt of a complete and accurate payment request, pursuant to the County's Sherman S. Winn Prompt Payment Ordinance (Ordinance 94-40), Section 2-8.1.4 of the Code of Miami-Dade County, Administrative Order No. 3-19, and the Florida Prompt Payment Act, if supporting documentation/invoices are properly documented as determined by the County in its sole discretion. - (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and
- (d) Meet all requirements for retaining public records and transfer to the County, at no County cost, all public records created, received, maintained and or directly related to the performance of this Agreement that are in possession of the Provider upon termination of this Agreement. Upon termination of this Agreement, the Provider shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the County in a format that is compatible with the information technology systems of the County.

For purposes of this Article, the term "public records" shall mean all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business of the County.

Provider's failure to comply with the public records disclosure requirement set forth in Section 119.0701 of the Florida Statutes shall be a breach of this Agreement.

In the event the Provider does not comply with the public records disclosure requirement set forth in Section 119.0701 of the Florida Statutes, the County may, at the County's sole discretion, avail itself of the remedies set forth under this Agreement and available at law.

To be considered skilled and experienced, the Subcontractor must show to the satisfaction of the County in its sole discretion that it has satisfactorily performed services of the same general type which is required to be performed under this Contract.
- 5) The County shall have the right to withdraw its consent to a subcontract if it appears to the County that the subcontract will delay, prevent, or otherwise impair the performance of the Contractor's obligations under this Contract. All

Subcontractors are required to protect the confidentiality of the County's and County's proprietary and confidential information. Provider shall furnish to the County copies of all subcontracts between Provider and Subcontractors and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the County permitting the County to request completion of performance by the Subcontractor of its obligations under the subcontract, in the event the County finds the Contractor in breach of its obligations; and the option to pay the Subcontractor directly for the performance by such subcontractor.
